CHAPTER ONLY DUES

The Maryland Chapter would like to offer all our members and others who want to join an opportunity to stay in touch with other planners throughout Maryland with a Chapter Only Membership. Since many organizations are cutting back we at the Chapter would like to offer this opportunity to join or continue your membership in the Maryland Chapter. Please also note that the \$27.00 chapter fee has been the same since the mid 90's. Please complete the form and send it to:
